

# Kaleidoscope

Visual Story

This is Katy.

She is a performer.

This is Sarah.

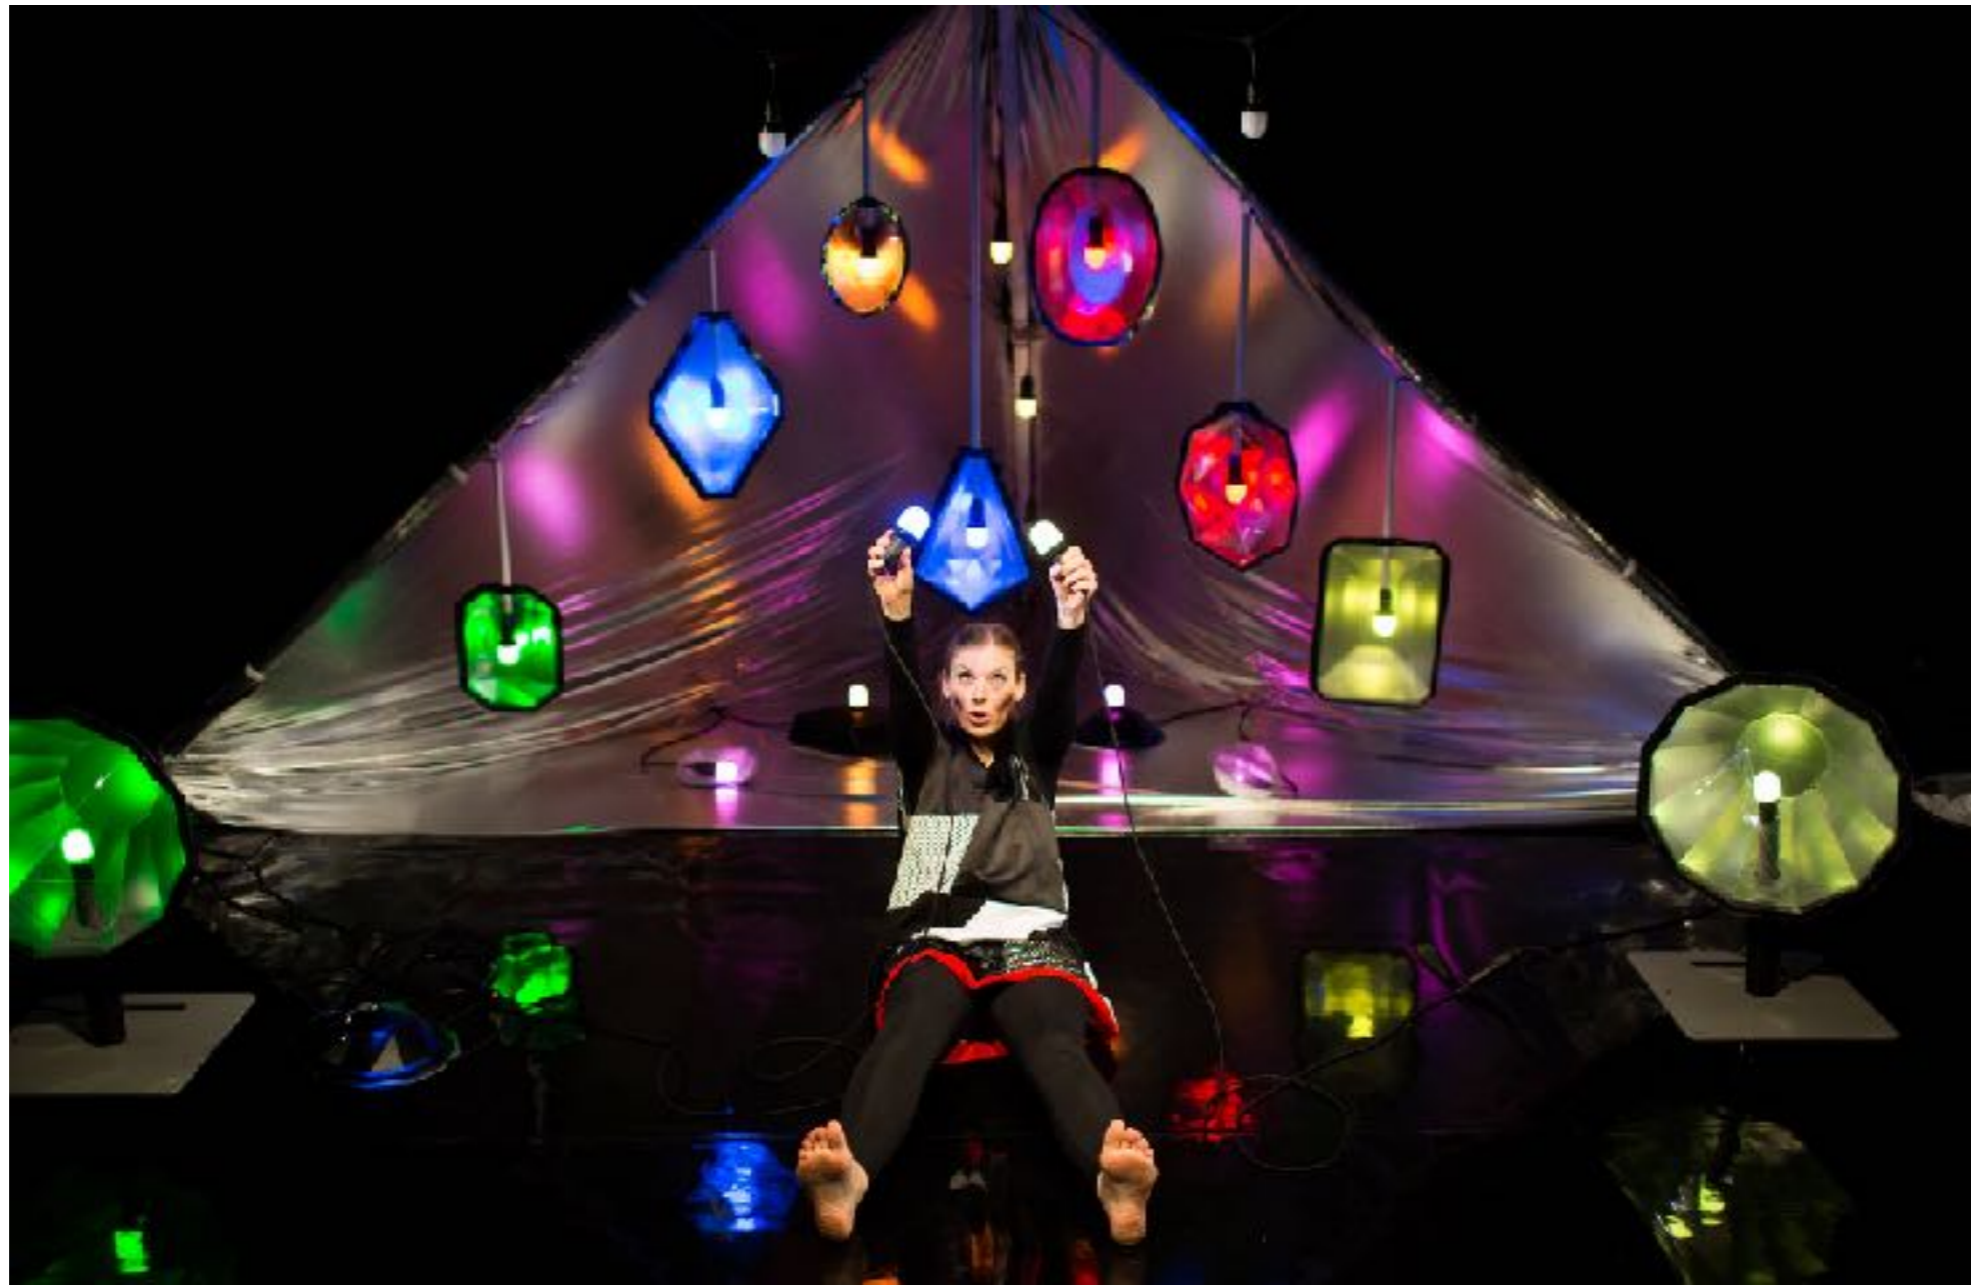

She is a performer.

You will see either  
Katy or Sarah at your  
performance of  
*Kaleidoscope*.

In this show there will be colourful lights that go on and off.

Sometimes these lights will flash.

You will hear a roar sound when the lights turn red.

# You will see...

One performer moving around the stage.

She will turn the lights on and play with them.

The lights will turn white, red, green, yellow and blue.

Sometimes she will come into the audience so that you can feel the props.

# You will hear...

Music and sound effects  
for example a 'ding'  
sound when the lights  
turn on.

You will be sat on colourful cushions on the floor like this...

The doors to the theatre will remain open during the show.

Please feel free to make noise.

If you need to, you can move around the audience area.

There will be time to play with some of the props at the end of the show. The performer will hand out objects for you.

You may take photographs at the end of the performance.
